ABOUT US

Sea Arch Surveyors was established in 2008 with a vision of "QUEST FOR EXCELLENCE".

Our Professional, flexible, cost effective solutions, good quality and reliable services tailored to clients' requirements and in tandem with the best industry standards.

Our services are designed to facilitate the safe movement of goods, avoiding any complications resulting from improper handling and post-delivery problem. In short, we help you to minimize risks due to delay, damage and loss.

Converting this vision into a reality has been our on-going pursuit; with a view to enhance our capability and performance, we constantly endeavor to upgrade our potential, both in terms of network and strengthening of in-house competency.

We have our strong presence across all major and minor ports of Gujarat.

We aim to be recognized as a premier service provider in marine surveying industry through honesty, integrity, and hard work and to become a preferred business partner within the maritime industry.

We will meet the deadlines that our customers expect; with our highly qualified staff and quick response to customer requirements with fast and timely delivery of documentation are key objectives!

We foster strong ethical values and a team spirit that rewards commitment, loyalty and initiative with a mission in mind of their welfare, training and expertise is core to our success. Our foundation for developing our people is securely anchored in health and safety policies.

We embrace respect for the environment and; we are committed to accountability, honesty and transparency.

VISION

V

SERVICES WE OFFER

We provide a wide range of Marine and Cargo surveys and Superintendence like Container Surveys, Inspections & On-board Operations. The formation of the company was inspired by the perceived need for an independent specialist company to provide a comprehensive range of surveillance and supervisory services in line with modern concepts, quality assurance, environmental protection and relying in integrity and experience.

Unanimous aim of the group today is to cater to the comprehensive services and solutions to the marine surveying industry.

SEA ARCH

Committed To Accountability, Honesty & Transparency.

Strategically located with 1600 kms. Of coastline, the longest among the maritime states of India, Gujarat is the nearest maritime outlet to Middle East, Africa and Europe with highest number of commercial cargo ports.

Vast and fertile hinterland that accounts for 40% of the total Indian trade.

Gujarat has excellent rail-road connectivity that is ideal for multi-modal transportation.
